

e-PRO Certification

Social media is still relatively new, and evolving every day. As an agent with the e-PRO® certification, I am dedicated to making the most of today's social media and technology to help you with your real estate needs, whatever they may be.

Agents with the e-PRO® certification demonstrate:

- Advanced training in using the latest technology and social media to promote your property or find your next home
- A clear understanding of the ways that e-office strategies, rich media and social networking can benefit today's consumer in a real estate transaction
- Excellence in adopting, implementing, and promoting technology best practices
- Ethics with commitment to use technology in fair and responsible manner
- Professionalism by completing an education program designed to keep one's technical knowledge and skill sets up-to-date
